

# GUNWHARF QUAYS

WATERFRONT OUTLET SHOPPING

We are delighted to have partnered with QwikPark to help make parking at Gunwharf Quays both quicker and easier for you.

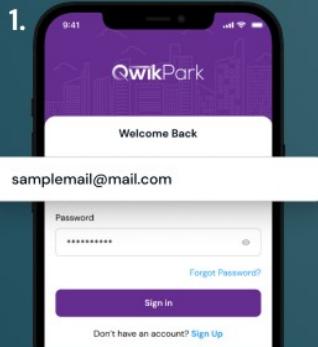

Simply follow the guide below and when you arrive, our automated number plate recognition cameras will identify your vehicle, allowing you automatic access.

So no more lost tickets, no need to queue at the pay machines, no more cash and no more hassle!

## How does it work?

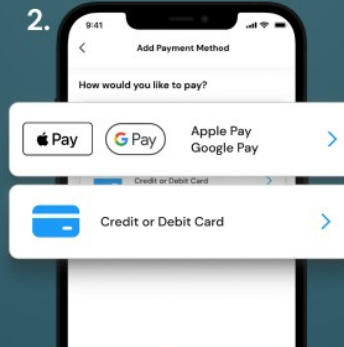

Prior to your arrival, download the QwikPark app and sign up. Simply scan the barcode to the right to download or search for QwikPark on the app stores.

QwikPark

### Sign Up

Sign up in seconds. Remember to allow notifications so we can alert you of parking sessions and when payments are made.

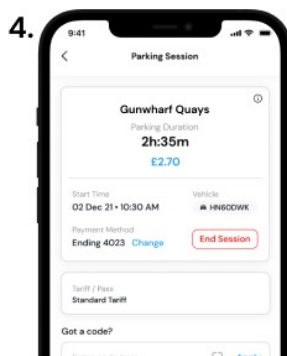

### Payments

Add a payment method to enable AutoPay and get automatic entry and exit from Gunwharf Quays.

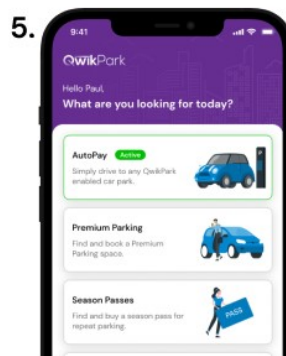

### That's it!

You're all set. When you enter and leave Gunwharf Quays, the barriers will raise and your parking session will automatically start and end. No need to press for a ticket.

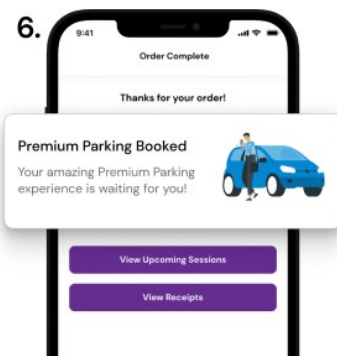

### Sessions and Discounts

When you start a parking session, you can see all the details within the app. From here you can also easily add any available discounts.

### Homepage Helper

On the app homepage you'll find shortcuts to the most used features of the app. Find car park info, prices, season passes and more.

### Passes and Premium

Find and add season passes for long term parking, or book the biggest and best bays with Premium Parking.
